ACCELERATED COLLEGE  
OF THE BIBLE

INTERNATIONAL™

*Reaching the world in this generation  
through trained leadership*

# PURPOSE

- The mission of Accelerated College of the Bible International is to equip students to provide educational leadership in various ministry fields.
- The primary purpose is to use a distance-education format for training students to communicate Biblical faith powerfully, effectively, and lovingly.
- The desire is to equip and prepare students to live Godly in all walks of life as effective church leaders, innovative Christian educators, and global educational missionaries.
